

2018 International Conference on Modeling,
Simulation and Optimization (MSO2018)

January 21-22, 2018, Shenzhen, China

CALL FOR PAPERS

2018 International Conference on Modeling, Simulation and Optimization (MSO2018) will be held in Shenzhen, China during January 21-22, 2018.

This conference is a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Modeling, Simulation and Optimization. We sincerely invite all the researchers, scholars, engineers, students and people are in interested in these areas to attend MSO2018.

Please prepare your paper in MS WORD or PDF format.

Authors are invited to submit full papers, short papers in English.

Please send your full English papers to sub@mso2018.org or mso2018@sina.com.

All accepted papers will be published on the Journal of **DEStech Transactions on Computer Science and Engineering** with ISSN: 2475-8841, ISBN and DOI. DEStech Publications will also submit all the papers to be indexed in EI Compendex, Thomson Reuters Web of Science CPCI-S (ISTP indexing) and CNKI Scholar for worldwide online citation.

Invite submissions

Topic 1: System Modelling and Simulation Technologies

Topic 2: Computational Modelling and Simulation

Topic 3: Simulation Tools and Platforms

Topic 5: Formal Methods

Topic 4: Optimization Methods

Topic 6: Application Domains
